

S.A.F.E. Membership Application

Please Join Us!

There is a membership fee for joining SAFE. We need your donations and financial support, but we also need your time and your personal commitment to end family violence. Membership includes voting privileges in annual election meeting and receiving quarterly newsletters.

Please ask your City or Tribal Council, your employer, Elders, youth, you know to become supportive members of SAFE.

Philosophy:

“We are committed to the right of a person to have power over their own lives, the right of a person to need and receive services without having to relinquish their dignity, their sense of self worth, or their status as inherently competent and capable.”
